

**ŁUŻYCKI ALIANS**    Związek Łużyczan w Polsce  
**Lusatian Alliance**    Union of Lusatians in Poland

Union was established in 2021.

**The creation initiative came from  
activists related to Lusatia:**

- **History**
- **Culture**
- **Tradition**
- **Lusatian languages and the  
issue of their preservation.**

#### COMMUNICATION

The need to support cross-border communication as an instrument for deepening the integration of the three countries of Germany, Poland and the Czech Republic, in which Lusatia is located and the integration of efforts to maintain the concept of Lusatia.

Main goals:

Promotion, popularization and development of

education

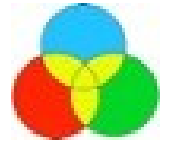

culture

art

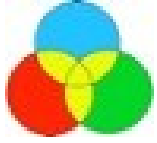

history

Lusatian languages.

# Civil society

**It is important to create awareness in the inhabitants that they are firstly Europeans, secondly Lusatians (Germans, Poles, Czechs and others). This cements unity, removes tensions and creates prospects for social and economic development.**

# **Why the subject: Lusatian Sorbs?**

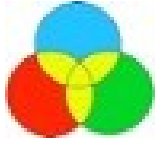

**Because:**

- have lived for 1500 years in the heart of Europe**
- are an example of peaceful coexistence**
- they "stick" Germany, the Czech Republic and Poland together**
- they cultivate centuries-old traditions**
- are an example of coexistence for others**
- they deserve support and respect**

# Practical activities

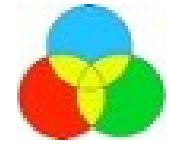

- **Promote, accompany and support all initiatives in the Czech Republic, Germany and Poland (or elsewhere) that help in the gradual development of self-awareness and cooperation of all small nations in Europe, where the Sorbs / Wends are the best examples for them.**
- **Cooperate with the Serbian Sejm, the Lusatian Alliance in the Czech Republic and the Lausitzer Alliance in Germany.**
- **Performing the role of the central coordinator of the LG Pilot project in Poland.**

# **What we will bring to Europe?**

**We will bring new impulses of integration through our actions.**

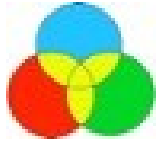

**The popularization of the Sorben und Wenden issue will give new signals of European cohesion.**

# What are impulses that play a role?

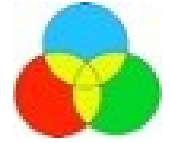

- 1. Organizing an international dialogue with the Lusatian community,
- 2. Organizing meetings and activities to disseminate knowledge about the past and today of the Lusatians through readings, lectures, conferences and symposia,
- 1. Organizing exhibitions, shows and artistic performances of the Sorbs and Wends,
- 2. Cooperation between international scientific, educational, artistic, political and religious communities and the Lusatians,
- 3. Promoting and supporting the economic cooperation of the Lusatian community,
- 4. Protection of cultural assets and heritage of the Lusatian people,
- 5. Propagating the art and mementos of Western Slavs, especially Lower and Upper Lusatians,
- 6. Promoting the tradition, culture, art, history of the Lusatian and Lusatian languages,
- 7. Creating and disseminating publications and materials concerning the activities of the association,
- 8. Creation and dissemination of publications and materials concerning culture, art, history and Lusatian languages,
- 9. Activities for the development of tourism,
- 10. Activities for the development of education, in particular supporting Sorbian education,
- 11. Promoting the learning of the Sorbian languages,
- 12. Promotion of Sorbian research in Poland,

- **13. Organizing integration meetings of families, youth and other Polish-Sorbian social and professional groups,**
- **14. Maintaining and disseminating the Lusatian tradition,**
- **15. Activities for national and ethnic minorities and a regional language,**
- **16. Representing the collective interests of the Lusatian people and their members before public authorities,**
- **17. Activities supporting economic development, including the development of entrepreneurship,**
- **18. Activities supporting the development of communities and local communities,**
- **19. Activities for children and youth,**
- **20. Culture, art, protection of cultural goods and national heritage,**
- **21. Tourism and sightseeing,**
- **22. Dissemination and protection of human freedoms and rights and civil liberties, as well as activities supporting the development of democracy,**
- **23. Activities for European integration and developing contacts and cooperation between societies,**

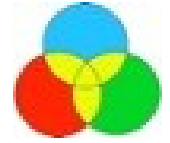

# EDUCATION

**We must support and promote education together:**

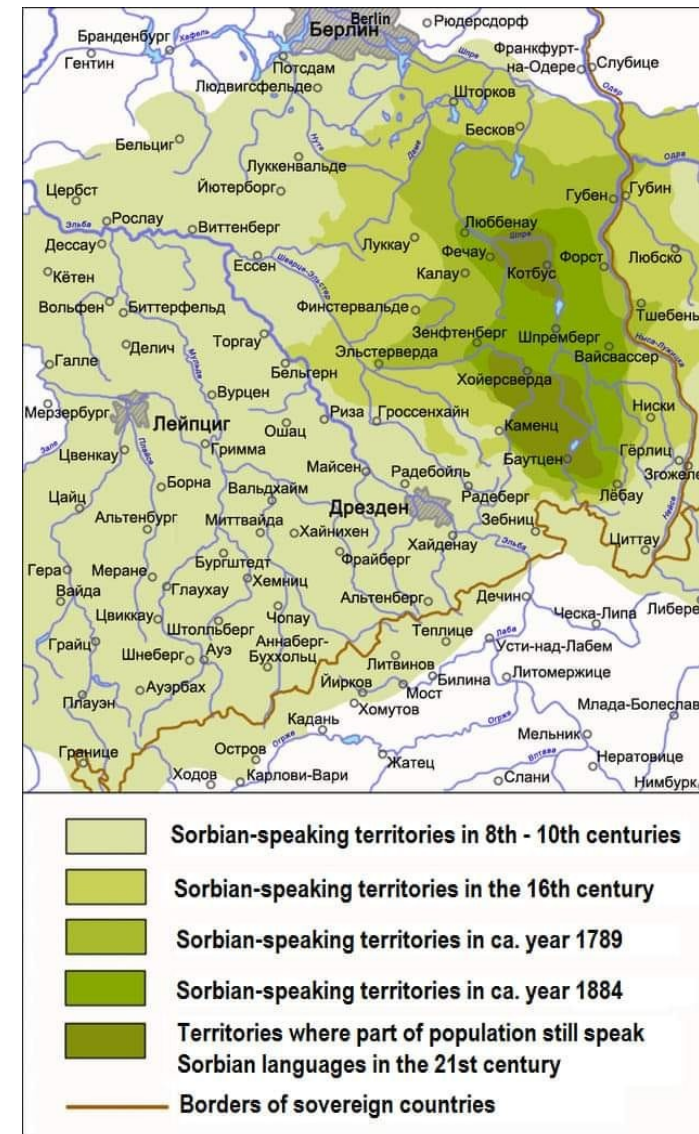

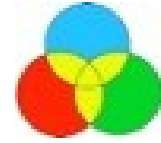

- pre-school**
- school**
- university and**
- after school**
